**4th International Congress
on Deuterium Depletion**
October 17-18, 2019, Budapest, Hungary

FIRST CIRCULAR - REMINDER
DEADLINE FOR ABSTRACT SUBMISSION IS 20th AUGUST, 2019!

It's a great pleasure to invite you to the

4th International Congress on Deuterium Depletion,

which will be held
in Budapest, Hungary, on 17-18 October, 2019

After the success of the previous three congresses on deuterium depletion, which took place in 2010, 2012 and 2015, this fourth congress wishes to give the researchers and medical practitioners a unique opportunity to get acquainted with this expanding new field of science and share their results and experience. We invite applicants to submit papers about their research of deuterium depletion in the main fields of cancer research, oncotherapy, diabetes and anti-aging research. Participants are expected to give a 10-20 minutes presentation on their work and take part in a group discussion/ Question & Answer period following their presentation

MAIN TOPICS OF THE CONGRESS
Deuterium Depletion in Cancer Research and Oncotherapy
Deuterium Depletion in the Research of Metabolic Diseases including Diabetes
Deuterium Depletion in Anti-Aging Research and in Physical and Mental Health
